Call to Order

Chairwoman Buck called the Annual Meeting to order at 7:05 p.m.

The meeting was held at The Brazos Center in Bryan, Texas.

Ascertain a Quorum

President Mary Beth Borroni certified a quorum of at least 25 credit union members.

Reading of the Minutes of the last Annual Meeting A motion was made by Ted Peabody, Jr. and seconded by Beth Leopold to dispense with the reading of the minutes from the last annual meeting. The motion was approved unanimously.

Chairwoman's Comments

Chairwoman Buick introduced our board members, all of whom were present. They were Patricia A. Buck, Chairwoman, Nancy Granovsky, Secretary, Jubal Hancock, Assistant Secretary, Juan M. Garcia, Fred Bingaman, Vice Chairman, Ron Weiman, Treasurer, Ted Peabody, Jr., Assistant Treasurer.

Chairwoman Buck welcomed all to the 57th Annual meeting and briefly discussed the year in review. She reviewed the mission statement of the credit union. FedStar seeks to offer products and services that are desired and available; use technology, be a resource point for members, offer tools for budgeting, borrowing, buying, retiring and saving as members navigate life cycle challenges. She expressed hope for a bright future and new ways to meet member needs, expand membership, and continue our community outreach. She indicated we are well-positioned to meet any challenges in 2018.

The Chairwoman introduced President Mary Beth Borroni who presented the President's Report and welcomed all in attendance.

Audit Report

The credit Union received a good report by the Supervisory Auditors with no exceptional items.

President's Report

President Borroni shared the good news that FedStar has more than 2200 members. Locally, in Texas and nationally, credit unions are perceived as more welcoming than other financial institutions. FedStar has taken a "life cycle approach" to the products and services that are offered. As a community-chartered entity, FedStar has given back to the community and charitable events. FedStar has co-sponsored a very successful Shred Day with the Better Business Bureau and Embassy Records and Storage. FedStar has supported the local summer collegiate league baseball team, the Brazos Valley Bombers for many years.

President Borroni also reported on the challenges and lessons of a changing financial marketplace, indicating that the four "bad news" challenges FedStar faces are 1) obtaining a solid return on investment; 2) better, faster, smarter technology; 3) adjusting quickly and effectively in changing times; and 4) regulatory and compliance pressures. She characterized the most difficult aspects during the year have been extra-ordinary losses due to bad loans; determining how pricing should evolve; the need to provide quality loan products to quality borrowers. She reminded the group that if we are successful, members will use FedStar as their primary financial institution thus benefitting both the member and the credit union. She reminded the members that they are the "owners" of FedStar Credit Union.

President Borroni presented the results of the Supervisory Audit and Annual Review. Overall, the credit union was found to be in "good condition" with no material exceptions. There has been a decrease in loan delinquency to 0.65%, down from 1.2% in 2016. She introduced all employees present:

Office Manager Penny Kornegay, MSRs Morgan Leopold, Leigh Schwartz, Michael Schultz and Debbie Dunlap, Loan Officer Raen Price

Treasurer's Report

Treasurer Ron Weiman presented the Treasurer's Report and emphasized that FedStar still maintained a 5-star rating, which has not changed in over 20 years. Following a question from the audience regarding loans, President Borroni indicated that we had priced some loans too low and explained the impact of bankruptcy on the credit union (\$44,000).

Unfinished Business and New Business

Chairwoman Buck proceeded on the Agenda.

She asked if there was any old or unfinished business brought before the membership. She asked if there was any new business to be brought before the membership.

New Business, which there was none
