

Refinance your existing loan and save!

Auto refinancing is the opportunity to pay off your current vehicle loan with a loan from a new lender – Brazos Star Credit Union, a well-known credit union you have already put your trust in. If you want to save some money on your loan payment or if you are struggling with your current high interest, high-cost loan payment, it's a great time to refinance your existing auto loan not originally financed through Brazos Star Credit Union.

Refinancing an auto loan can help members accomplish different goals.

- Lower your interest rate
- Decrease your vehicle loan payment
- Pay off your vehicle loan sooner
- Get credit for a better credit score

Let us help you decide which opportunities are available to help you save money!

*Qualified borrowers may be eligible to save [up to 2.00% off](#) their current loan rate; some conditions apply. Your actual APR will be based upon several factors, including credit history, model year, term, and loan amount. Rates subject to change. Minimum loan amount of \$50,00.00 for loan terms over 84 months. Existing Brazos Star loans are not eligible for this offer.

Let us know the following information

- loan balance with your current lender
- monthly payment
- current APR%
- current term in months

Simply apply on our website!
