Marble Falls Ft. Prince of Peace Exhibit

December 1, 2026

\$125 per person

\$25 deposit

Final payment due Nov 19. No refunds after Nov 19.

This is a day trip to visit the *Beloved Art Gallery* in downtown Marble Falls followed by leisure shopping time and lunch on your own. The extraordinary story behind the *Prince of Peace* painting begins in the 1990's when a little girl began experiencing vivid dreams and heavenly visions of Jesus, despite being brought up in an atheist household in Illinois. At age 8, she felt compelled to paint the face of Jesus Christ that she saw in her visions. The 8-year old completed the massive portrait in under 40 hours. The painting was heavily criticized and eventually, after legal battles over contracts, it was mistakenly sold and carelessly locked away in storage. Recently, the original painting was finally recovered and is now on display in Marble Falls, TX. Come learn the full story on this fun little day trip!
